

National Public Lands Day

Emerald Ash Borer (EAB)

Educational Update

Volunteers Sought to Update Local Ash Tree Inventory

Thursday, September 23, 2010

6:00 p.m. to 8:00 p.m.

Bay County Fairgrounds Canteen

800 Livingston Street, Bay City

The purpose of this educational program is to teach volunteers how to identify Ash Trees, proper tree inventory methods, along with the signs & symptoms of Emerald Ash Borer (EAB) infestation to update local street tree inventory. This is a **FREE** event. Light refreshments will be provided. Event will be held rain or shine. Please contact Alicia Wallace, Gypsy Moth Suppression Program Coordinator, at 989-895-4195 or at wallacea@baycounty.net to sign up.
